

20 School Themed Family Conversation Starters

If you could design your own school, what would it look like?

If you were a teacher, what grade level or subject would you teach?

Who do you eat lunch with?

What is one thing you learned today?

What is your favorite part of the school day?

What is one way you could make someone smile?

Who is your favorite teacher you have ever had?

What is your favorite part about school?

What is your least favorite part about school?

What do you think makes a good friend?

Who are some of your
friends at school?

What is your favorite thing
to wear to school?

What is your favorite thing
to do on the playground?

Would you ever want to
be a teacher?

What is your favorite
subject in school?

What has been your
favorite grade so far?

What is one thing you have
learned you could teach
someone else?

What is your favorite
thing to eat at lunch?

What is your favorite
book you have read?

If I got to visit your classroom,
what would you show me?
