

WinShape Marriage R&R

Letter of Support

Greetings!

WinShape Marriage would like to partner with you in supporting this couple to attend our WinShape Marriage R&R Retreat. Pulling away from active ministry requires intentionality and support. The purpose of this document is to indicate support and affirmation of your ministry leader entering into this week of rest and renewal.

Through your thoughtful support, you are actively blessing your brother and sister in Christ by sending them into a sabbath week (John 20:21).

The retreat is designed for those in ministry who are actively investing in and serving others. Throughout the week, couples will enjoy a spacious yet intentional week that helps them fellowship with the Lord in a beautiful, private, sequestered setting. This experience is intended to nourish their marriage and strengthen their relationship with the Lord so they can thrive in their God-given calling.

By signing this document, you are committing to support them before, during, and after their retreat. Tangibly, this is through means of prayer, encouragement and debrief, and potentially fiscally as the Lord leads.

Please join us as we pray for and bless

in a week of resting, spending time with the Lord, and one another.

Partnering with you,

The WinShape Marriage Team
